

Hello dear Matthew House Montreal Partners!

I am writing you in the first few days of 2011 on behalf of MMM to wish you a happy and prosperous new year, and to thank you for your support throughout 2010. Each of you has contributed in various ways in birthing this ministry project and offering precious help to people in need of housing, support and love.

Here is a short summary of our accomplishments in 2010:

March 2010: Moved into our MMM apartment - Thank you to all those who helped us with furniture and fixing up the apartment

April-May 2010: Arrival of our first residents; two survivors of the earthquake in Haiti and their children

October 2010: Participation in the "Ride For Refuge" cyclothon fundraiser

In December 2010, we welcomed a third resident.

Thanks to your help, we were able to offer housing, clothing, food, toiletries, etc. We were also able to provide for school activities and outings for the children as well as games for the house.

We regularly visit the ladies, care for their needs, encourage them in their various undertakings, share and pray with them. We have accompanied the ladies to their appointments with regards to their immigration process, have assisted them in registering the children for school, have taken them to visit the Old Port of Montreal, taken them to church, etc. For Christmas, each resident received several gifts donated by our partners.

Looking ahead in 2011:

For the year to come, MMM is seeking a new place to house its residents. The Lord has blessed us with a grant allowing us to cover part of the housing fees and we believe that it is time for us to reach a greater number newcomers in need. In addition, we are looking for more volunteers to participate in the weekly activities of the house. More to come...

If you have it in your heart to get more involved with MMM this year, whether it be with your time, finances, donations of various kinds (toiletries, food, etc.), it would be a pleasure for me to discuss this with you.

Once more, I want to THANK YOU for having believed in and continuing to believe and invest in this local mission.

Yours truly,

Christine Walsh
